Dear Mr. Miller:

I would like to congratulate Menominee Tribal Enterprises for its accomplishments and contributions to the Menominee people and the state of Wisconsin as you celebrate your Centennial Year on October 8th. The people of this state were pleased with the beautiful Holiday Tree MTE provided the State Capitol in December 2007 which marked the beginning of your Centennial Year.

I am proud of the recognition Menominee Tribal Enterprises has received for its stewardship and emphasis on community through the years. The MTE Centennial Celebration is an excellent recognition of your efforts.

Menominee Tribal Enterprises is a tremendous asset to the state of Wisconsin and has impacted the community and business growth in a meaningful way. Congratulations for all its achievements and best wishes for an enjoyable Centennial Celebration.

Sincerely,

Jim Doyle
