Re: **USA V. Menominee Tribal Enterprises, et al.**  
Case No. 07-C-316

Dear Mr. Kanassataga:

Enclosed is the government's formal response to the following discovery requests served by MTE: (1) MTE's First Set of Interrogatories and Requests for Production of Documents, served upon the United States on August 2, 2007; (2) MTE's Second Set of Interrogatories and Requests for Production of Documents, served upon the United States on August 3, 2007; (3) MTE's Third Set of Interrogatories and Requests for Production of Documents, served upon the United States on August 6, 2007; and (4) MTE's Fourth Set of Requests for Production of Documents, served upon the United States on August 7, 2007.

In response to these discovery requests, please find the attached documents and materials:

- United States' Responses to Defendant Menominee Tribal Enterprises' Interrogatories (Sets 1-3) and Requests for Production of Documents (Sets 1-4);
- Index of Scanned, Bates Numbered Documents USA0000001-USA0013764;
- CD of all Bates Numbered Documents;

**OCT 15 2007**

Page 2

- Map Disclosure Index, with attached CD of Maps 1-29;
- Index of Pictures Used to Support Government Claims, with attached CD of photographs;
- Index of All Pictures Taken, with attached CD of all photographs and video taken; and
- Paper Copies of all Bates Numbered Documents tagged for production as responsive to one or more discovery requests.

Please contact me if you have any questions about these responses.

Sincerely,

STEVEN M. BISKUPIC  
United States Attorney
