## MENOMINEE TRIBAL ENTERPRISES POLICY ON HEALTH AND SAFETY

**Policy:** Menominee Tribal Enterprises is committed to providing every employee with a safe and healthy place of work. Safety will rank in equal importance with quality and efficiency.

**Objective:** To provide a safe and healthy work environment where the employer and employee work together to be the industry leader in safety performance.

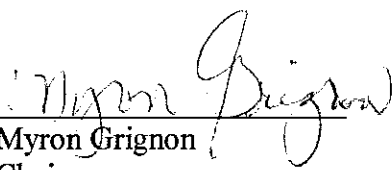

**Scope:** This policy applies to all employees of Menominee Tribal Enterprises.

To achieve this objective:

Management shall provide visible commitment to safety and health programs, ensure safety procedures and safe work practices are written, current and comply with applicable regulations and ensure that all employees, under their direction, understand and follow established safety procedures.

Employees must understand that they have a responsibility to follow safety procedures, maintain a safe work place and report hazardous conditions and unsafe practices immediately. Employees must know and be committed to established safety standards.

Menominee Tribal Enterprises believes that acceptance and practice of these basic principles by management and all employees will assure the success of our safety program.
